

# *Invercauld Highlanders of North America*

## **Utility Uniform- Entry Level Members**

This is the list of the items for people to come to complete their uniform.

This uniform is to serve as a step up from the typical Highland Wear and not quite the full Dress Uniform of the Invercauld Highlanders of North America. Many of the items listed here will be able to be used in the Full Dress Uniform.

This is the uniform that is to be worn when at events that are not your IHNA Company Gatherings. This is to save wear on the Dress Uniforms if so desired.

All items should be purchased from USA Kilt unless specified secondary location.
